Buckley's and Laura's Schoolwear reopened for business on Monday June 8th 2020. In line with the present government guidelines it is our initial intention to operate an appointment only service. To make an appointment, please ring us or email us at your earliest convenience.

To encourage customers to shop early we will offer a 10% discount on all items of the Gaelscoil Ui Riordain School Uniform purchased in June.

Ideally, if you would like to email us with your requirements we will have your package ready for collection from either of our stores.

To ensure a safe working environment we would appreciate adhering to the following recommendations.

- We would appreciate where possible that one parent visits our store with one student.
- Please check the size your child was wearing last term. (Even if this was for another school).
- Ideally we recommend wearing clothing that will allow for the uniform to be tried on over it.
